COVID-19

Agility Nuts will ensure to the best of its ability that the event is run to Covid Safe guidelines. We reserve the right to cancel should guidelines so dictate, in which case refunds will be offered.

It is your responsibility to ensure you comply with national and local restrictions including advice given about non-essential travel in and out of locally affected regions (which must not be ignored) – in the interests of the safety of all participants this may give rise to a short notice refusal of entry at the our discretion.

If a competitor, or anyone in their household, has Covid-19 related symptoms or has tested positive for Covid-19 they must isolate in line with Government advice -

www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/

The competitor must not attend the event

Please note that if local restrictions or self-isolation prevent you from attending refunds cannot be offered after the closing date if the show is able to go ahead.

Eligibility and Definition of Classes

The level at which dogs compete at Agility Nuts shows depends entirely on the dog and does not depend on the handler or the owner, subject to the following conditions, where KC = Kennel Club:

Elementary	Open to all dogs that currently compete at Elementary at Agility Nuts shows and to dogs competing at Grade 1 or 2 (KC). Dogs that have not competed at a KC agility show should enter at this level.
Starters	Open to all dogs that currently compete at Starters at Agility Nuts shows and to dogs competing at Grades 2, 3 or 4 (KC).
Novice Plus	Open to all dogs that currently compete at Novice Plus at Agility Nuts shows and to dogs competing at Grades 4 to 7 (KC).
Veteran	Open to all dogs aged 7 years and over. Jumps will be set at 20, 30 or 40cm and the jump height can be chosen by the handler.
Anysize	Open to all dogs aged 6 years and under. Jumps will be set at 20, 30 or 40cm and the jump height can be chosen by the handler.
Nursery	Open to all dogs aged 16 – 18 months who are not entered in any other class at the show. Jumps will be set at 20, 30 or 40cm and the jump height can be chosen by the handler.
NFC	Not For Competition. Available in all classes. Handlers may use the course time to train their dogs in the ring. NFC rounds must be declared before entering the ring. They will not be marked and will not count towards any of the leagues.
ABL	ABL = Anything But Large. Medium, small and micro dogs will compete against each other in these classes.

Dogs competing at different levels in KC shows and Agility Nuts shows have the option of entering at their preferred level based on the criteria above, with the exception that any dog that has won 3 or more classes at previous Agility Nuts shows, including at least 1 agility win, must compete at least one level higher than the classes that they won.

A dog may be entered as Large, Intermediate, Medium, Small or Micro, depending on the following definitions:

Large:	For dogs that measure over 50cm at the withers. Jumps will be set at 60cm.
Intermediate:	For dogs that measure over 43cm but less than 53cm at the withers. Jumps will be set at 50cm.
Medium:	For dogs that measure over 35cm but less than 46cm at the withers. Jumps will be set at 40cm.
Small:	For dogs that measure under 38cm at the withers. Jumps will be set at 30cm.
Micro:	For dogs that measure under 30cm at the withers. Jumps will be set at 20cm.

Note that there is some overlap between dog heights, giving some handlers the option to select their preferred jump height for their dogs. A dog may only be entered at **one** height. When entering online, enter at your designated height and run at your preferred height at the show.

Marking of Classes

Classes will be marked according to standard Kennel Club rules with the following exceptions:

- Up contacts will not be marked.
- None of the following will be used in any course: tyre, well, wall, table.
- A silent toy may be carried in the ring during competition in Elementary, Veteran and Nursery classes. The dog may not touch the toy once it has started its round and the toy must not be given to the dog until the dog has crossed the finish line.
- Silent toys may be used at any time in NFC rounds.
- In Veteran and Nursery classes the dogwalk and A-frame will be lowered and there will be no seesaw or weaves.
- All rings will be surrounded by netting.

Show Information

Trophies & rosettes: All class winners will receive an Agility Nuts Gold Medal. Rosettes will be awarded to at least 3 or 20%, whichever is greater in all classes. Clear round rosettes are available for all classes.

Parking: Please park vehicles as directed.

Dogs in cars: Your dog is vulnerable and at risk if left in a vehicle at high temperatures and even on days that you may consider to be only slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for the damage caused.

Bilsthorpe Sportsground: The venue is a sports ground on the edge of Bilsthorpe, Nottinghamshire with an excellent running surface.

Exercise Areas: The exercise area and areas that are out of bounds will be clearly indicated on the show information that will be sent out with the running orders. All owners must pick up after their dogs – no exceptions! Bins for dog waste will be

provided. Owners knowingly not picking up after their dogs will be asked to leave the venue and may be excluded from future Agility Nuts shows.

Camping: Only one unit and/or vehicle will be allowed per camping space. Any additional vehicles may be asked to park in the day parking area. Camping is available from 1 p.m. on the day prior to the start of each show. All campers must vacate the venue by midday on the day following each show. All camping units must have a fire extinguisher and/or bucket of water available. There are water taps available at all venues. Toilet facilities will be available on site, although there may be limited access to them on the Monday morning.

Helping at the Show: In order to ensure the smooth running of the show, we may ask that all competitors participating at this show help on the rings for at least 1 hour per day. Lists will be posted in the office so please check your allocated ring and time (will show AM/PM) on arrival. Please report to the relevant Ring Manager so that they can allocate a suitable job and time slot for you. No-one is expected to help at the expense of missing their classes. This is made a lot easier to achieve if everyone helps.

Catering: Caterers will be available on-site for the duration of each show.

Entering online

Please note that for 2021 when you enter online at www.firstplaceprocessing.com your entries (plus camping) will be saved if you enter more than 10 days before the closing date for each show. Payment requests will be emailed to competitors 10 days before the show with payments due by the closing date. This is designed to minimise costs in the event that either show has to be cancelled due to changes in COVID-19 regulations.

Running plans will be published approximately 2 weeks before each show on www.firstplaceprocessing.com and can be downloaded from your account with them. If your dog is not KC registered, please enter their pet name as their KC Name and enter "NAF" as their KC number when registering on First Place Processing. You will need to select your dog's appropriate grade and height when registering (select grade 1 if you have never competed at a KC show before), but please select your classes carefully when entering as there are overlaps in our grading and height criteria (see above). NFC and LHR must be declared at the show when booking in for a class.

Running plans will be sent out for all postal/cheque entries, so please remember to add £2.00 postage to your entry for each show if you do not enter via First Place Processing. Please DO NOT enclose an SAE with your entry form.

FPP Live

Calling, scoring and results will all be automated at these shows through the FPP Live scoring system provided by First Place Processing. Class progress and live results can be viewed at <http://mobile.firstplaceprocessing.com> throughout both shows.
