ELIGIBILITY FOR CLASSES

In the following definitions of classes, First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: 'A Ramp', Dog Walk and See-Saw. With this proviso, classes are defined as follows: -

Class Structure. A class may be either held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, **at either Full height or the Lower Height Option**, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme, (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression. However, once a dog has progressed, it cannot return to a previous grade. Progression on points must be done prior to the closing date of entries. It is not possible to change a grade once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and point's progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 (Elementary)

For owners, handlers or dogs which have not gained a first place in an Agility Class or three first places in Jumping Classes at Kennel Club licensed Agility Shows. *N.B. Owners, handlers or dogs previously qualified out of Grade 1 (Elementary), are not eligible for this class.*

Grade 2 (Starters)

Open to dogs which are not eligible for Grades 1, 3, 4, 5, 6, or 7 and have not gained a first place in an Agility Class or three first places in Jumping Classes at Grade 2 at Kennel Club licensed Agility Shows, or elected to progress on points from Grade 1. *N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters), are not eligible for this class.*

Grade 3 (Graduate)

Open to dogs which are not eligible for Grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed Agility Shows and dogs which are not eligible for Grade 4, 5, 6 or 7.

Grade 4 (Novice)

Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 5, 6 or 7.

Grade 5 (Intermediate)

Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 4 and are not eligible for Grade 3, 4, 6 or 7.

Grade 6 (Senior)

Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed Agility Shows, one of which must have been gained in an Agility (not Jumping) Class, and are not eligible for Grade 3, 4, 5 or 7.

Grade 7 (Advanced)

Open to dogs which have gained a minimum of 4 first places at Grade 6 at Kennel Club licensed Agility Shows, 2 of which must have been gained in Agility (not Jumping) Classes.

Championship Class (Kennel Club Championship Agility Certificate)

Open to dogs qualified to compete in Grade 7. To consist of two qualifying rounds of Standard Kennel Club classes, 1 Agility Class and 1 Jumping Class, and a final round of Agility to be held at the same show.

Points will be awarded for placings in the Agility round and Jumping round. 1st place = 1 point, 2nd place = 2 points etc. to the final placed dog, eliminated dogs excepted.

The top 50% of the entry, up to a maximum of 20 dogs, with the lowest accumulated total will be eligible to compete in the final round. Elimination in either of the qualifying rounds will exclude the dog from competition in the final round.

In the event of a tie for the last place, the time/faults will be taken into account for both qualifying rounds to determine the last qualifying place. The calculation to decide the equal place is: -

- 1) The dog with the least course faults in both the agility and jumping rounds. In the event that these dogs are still equal,
- 2) The dog with the fastest combined time qualifies.

Running orders: A draw for the running order of the Agility and Jumping rounds will be made prior to the show, which must be strictly adhered to. The relevant competitors will be notified before the day of the show.

Please note, you may be asked to produce your Kennel Club record book so please bring it with you.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, and the A-ramp, and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule. Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

Helter Skelter - A jumping course based on a decreasing or increasing circle.

ONLINE RUNNING ORDERS

Running orders will be made available online approximately two weeks before the show.
